Friends,

_____ has applied for entry into our residential recovery program in Flagstaff operated under Discipleship Ministry International.

Discipleship Ministry International provides opportunities for hurting young men to live lives free of drugs and alcohol, experience success and find purpose for their future through discipleship, academics and horsemanship.

DMI is a faith-based organization dedicated to rehabilitating adolescents with drug or alcohol addictions and other life-controlling problems.

DMI is a non-profit organization that receives no federal or state grants.

We are asking you on behalf of the family that is trying to get their son into the program to help with a monthly commitment while in the program. We ask families to pay \$2000 per month for the care their son will receive. It is our goal to provide the highest quality rehabilitative environment for each of our enrolled students. You have been given this letter to provide you with an opportunity to make a difference in the life of a hurting youth. Please indicate whether your gift will be a one time gift or a monthly commitment for the duration of the students program.
